

3 November 1972

MEMORANDUM FOR: Director of Training

SUBJECT : Senior Seminar Weekly Activities Report
30 October - 3 November 1972

1. Planning proceeds on the first four of seven projected content blocks for Senior Seminar Three scheduled to begin 21 January next. Scope notes for each proposed topic as well as for each block as a whole are being prepared and selection of speakers has begun. The deadline for participant nominations to the Training Selection Board is 1 December.

2. During the past week we have had interesting visits from two of our "consultants." [REDACTED]

[REDACTED], spent most of last Friday advising us on the content and possible external speakers for the block on "New Methodologies of Interest to Intelligence." Dr. Edmund Fulker, Assistant Director of the Graduate School, U.S. Department of Agriculture, spent most of 31 October suggesting contacts and topics for much of the entire program. One of his suggested topics--a "world future game" to be played by the World Future Society on the evening of 14 November--will be investigated on the spot by the Chief, Senior Seminar Staff, and [REDACTED] STATINTL who is charged with organizing the "new methodologies" block.

STATINTL

Chief, Senior Seminar
